

the
Ophthalmologist™ *THE POWER LIST 2023*

ROBERT N. WEINREB, MD

TOP 2 in the WORLD
as Most Influential in Ophthalmology

Robert N. Weinreb, MD, Distinguished Professor and Chair, Viterbi Family Department of Ophthalmology and Director of the Shiley Eye Institute, has been recognized by The Ophthalmologist (London) in their prestigious 2023 Power List as one of the world's top 2 most influential people in ophthalmology. The Power List was selected by an international panel of 20 distinguished judges from a total of more than 200,000 eligible ophthalmologists and more than 150,000 others in eyecare and industry worldwide.
